_____, 2006

Saris, U.S.D.J.

Pursuant to Fed. R. Civ. P. 23, plaintiffs have moved for an order certifying a class in this action. After considering the submissions of the parties and the record in this case, I order that plaintiffs' motion for class certification is **ALLOWED IN PART and DENIED IN PART** as to the claims asserted in the Fourth Amended Master Consolidated Class Action Complaint ("FAMCCAC"). The Court relies on the reasons stated in court during the Track 1 certification proceedings and in *In re Pharm. Indus. Average Wholesale Price Litig.*, 230 F.R.D. 61 (D. Mass. 2005). The classes are certified as follows:

Excluded from the Class are those who made flat co-payments, who were reimbursed fully for any co-payments, or who have the right to be fully reimbursed; and the residents of the states of Alabama, Alaska, Georgia, Iowa, Kentucky, Louisiana, Mississippi, Montana, and Virginia (where consumer protection statutes do not permit class actions).
